I DO NOT SEEK YOURS BUT YOU

Last June, King had the opportunity to speak to a congregation regarding serving. In the book of 2 Corinthians 12, the apostle Paul writes to the church at Corinth and in his letter he mentions that he will very gladly spend and be spent for their souls. Very often we are happy being “cheerful givers” but God is asking us to give of ourselves. 2 Corinthians 8:5 “...they (the Macedonians) first gave themselves to the Lord and then to us by the will of God.” In the book of Isaiah 58:6-11, God tells us that when we spend ourselves on the behalf of others, then our healing will quickly appear!

DENTAL AND EYE CLINICS

We never cease to thank God for what He is doing through the dental and eye clinics. These clinics affords us unique opportunities to share the love of Jesus with a hurting and disenfranchised people. Very often we receive calls from various people seeking our services or just to share the testimony of how they have been helped. We give God all the glory.

DISCIPLESHIP

Discipleship is the very heart of the ministry of Alabaster Project. It is a joy to go to the various villages and teach the good news of the kingdom of God. Recently, we began another discipleship meeting in the village of Limo. The pastor approached us two

years ago to come and teach in his village; however, they could only meet on Saturday afternoons, and we were engaged doing discipleship in another village. *Please pray to the Lord of the Harvest to send more laborers who will model and teach the truth of God's word.*

FARM/FOOD FOR THE POOR

We have had interesting weather patterns during the past 5 years. Our rainy season had been more dry than wet. Yet, God has been faithful to bless our farms. We have never lacked food to give to the widows and orphans. This is only by the grace of God.

Recently, we visited the Tamale Orphanage and had a great time of fellowship and encouragement with the director, staff and children. We rejoiced to see the faithfulness of this establishment. They were very appreciative of the food provided to them by God through Alabaster Project.

The Lord put it on the heart of Sandra Austin to provide funding for animal husbandry. We have been rearing goats for the past 2 years to give to the widows and orphans. God has blessed us beyond our wildest imagination!

Thanks for your support and prayers!
