SURGICAL TEAM ARRIVES IN TAMALE

January 2019, God answered our prayers by sending Dr. Pedro Gomez and Dr. Javier Castillo from Mexico. These two doctors desire to help the blind to see and the lost come to Christ. By the grace of God 84 surgeries were performed successfully during the 5-day outreach. The presence of God was evident throughout the entire time. We have been praying and asking God to provide ophthalmologists, who could come and help the many blind people in the northern region of Ghana to see through cataract surgeries. One of the greatest joys of being a missionary is seeing God answer prayers.

“AND HOW SHALL THEY HEAR WITHOUT A PREACHER?”

The main reason we do what we do, is to be able to share the gospel with those who have not heard. Dr. Pedro Gomez, shown above on the left is sharing the eternal gospel of Jesus Christ. After the message he examines each patient to see if the patient is a candidate for cataract surgery. Below on the left shows the picture of the surgical team and King praying before each surgical procedure. God is faithful and did not allow any patient to have complications. Every surgery was successful! Praise the Lord!!!

The lower right picture is the surgical team taking just a few minutes for lunch before continuing with the surgeries that would give each patient the gift of sight. In order to serve as many patients as possible the team chose to have their lunch inside the clinic.

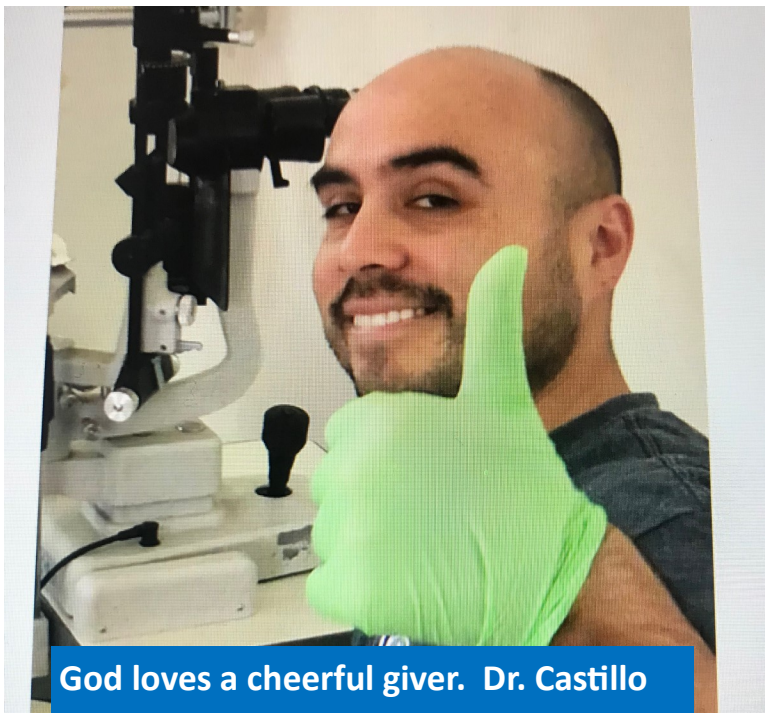

THERE IS HOPE FOR THE HELPLESS

Patients listening attentively to the message of salvation.

A wife seeking help for her blind husband. His surgery was successful.

God loves a cheerful giver. Dr. Castillo worked tirelessly serving each patient with the upmost care.

This young boy brought his blind younger sibling seeking help.

CELEBRATING THE BIRTH OF CHRIST

December 2018, we had a wonderful Christmas celebration. For the first time we hired a caterer to help prepare the food for more than two hundred guests consisting mainly of wid-

widows and orphans. We ate, we sang and we danced before our God, thanking Him for sending His Son into the world to save us and to bring us to a living relationship with Him, our Everlasting Father!

UNITED TO FINISH THE WORK

January 2019, we met for the second time with several of our brothers and sisters from Asia, Africa and South America to pray and seek God concerning our role in the end time harvest. God showed us many things during this meeting. He reminded us of the importance of being one in Him and without Him we can do nothing. For the first time Asia, Africa and South America are collaborating in their efforts to assume equal responsibility for the completion of the work of evangelizing and discipling the remaining unreached people groups.
