***MAY THE LORD FIND
US FAITHFUL TO THE
END***

The Container is in Chad!

After more than a year, our container of medical equipment and supplies has arrived in Chad. Although it has not arrived at our base, we know that by the grace of God it will. This has been quite a project, through it our faith has grown, and it continues to grow in the Lord and in the power of His might. The equipment and supplies will enable us to share the love of God, with our constituents. *Please continue with us in prayer, God is faithful and with His help it will arrive at our base soon.*

GRATEFUL HEARTS

We were all touched by the gratitude of the widows as they received the produce that was given to them. These widows constantly pray for us, our family, the ministry, and for those who support Alabaster Project. Truly it is God who has brought them into our lives and into our very hearts. Their testimonies are wonderful! Their goats are producing on regular basis, sometimes giving birth to two or more kids at a time. Their immediate families are more accepting of them now that they are able to contribute to their households.

THE BRAZILIANS ARE HERE!

The Lord spoke to us 15 years ago about how He has prepared a people to serve Him in North Africa. Today, we have here at Bethany Village, our Ghana base, 8 Brazilian who have laid down their lives for the sake of the gospel. They are one of the most zealous group of disciples we have encountered over the years. Currently, they are learning Dagbani with the desire and hope of witnessing to unbelievers in their native language!

HANDS LIFTED FOR LIFE

The team of Brazilian arrived in Tamale after 4 days of travel, very upbeat and ready for ministry. They began working with our Ghanaian disciples and taking part in every area of ministry, from yard work to discipleship meetings in the various villages. The children in all the villages are enjoying the special activities that were thoughtfully planned for their benefit. Certainly those who had difficulties counting in English can now count more readily as some of their activities involved the body, mind and soul. There is plenty of fun and games, since that is the best way for children to learn.

LADIES OUTREACH

“A Merry Heart Makes a Cheerful Countenance...” Proverbs 15:13

The ladies’ outreaches are going very well, several of them have made decisions for life. They have confessed: “Jesus is Lord and Savior”! There is much joy, smiles, hugs and lightheartedness as the ladies paint their own tea towels.

As we interceded for a loved one, the presence of the Lord was felt by everyone at the church of Tali. *How blessed we are that we should be called the children of God...1 John 3:1. We love Him because He first loved us! And whatever we ask we receive from Him, because we keep His commandments...1 John 3:22.* Our joy is full because our petition was granted!
