

NEW DENTAL AND EYE CLINIC IN NORTH AFRICA

We thank God for His provisions. We have completed the construction of the dental and eye care clinic on our base in North Africa. There were many delays with the procurement of the building supplies but the Lord showed Himself as the faithful provider. It has been a testimony to many to see the completion of the clinic. The eye clinic includes an eye examination room and eyeglass dispensary as well as a surgical room. The people of the region are very excited to have a place they can come to for their dental and eyecare needs. May God bless each and everyone who donated for this facility. Thank you.

SOUTH AMERICAN MISSIONARY YOUTH CONFERENCE

Last month, we traveled to Brazil to teach at an annual youth missionary training conference. It was great to meet with these young students who are seeking the will of the Lord for their lives. The classes were intense and well received by the youth. Truly

they have a heart for the lost and may God continue to guide them into the mission that He has prepared for them. We thank God for this opportunity to minister to the next generation of missionaries whom God has raised up for such a time as this.

A REVIEW OF THE YEAR 2023

YOUNG BELIEVERS IN SANGA, GHANA RECEIVING THEIR FIRST BIBLES

The ministry in Ghana is continuing with souls being added to the kingdom of God. Unreached villages are hearing the word of God for the first time. People who were previously thought to be unreachable are responding to the gospel of Jesus Christ. Discipleship meetings are also taking place in these villages. We give God all the praise and all the glory for it is by His Spirit and according to His will that we are seeing these testimonies.

Through a donation, Renew Outreach provided more audio bibles for North Africa. Please continue in prayer for those who hear that they may accept Jesus Christ as their Lord and Savior. They are not able to read but now God has provided audio bibles which they can listen to and be transformed. Amen.
