

“Who will go for Us?”

Isaiah 6:8 NKJV

into North Africa. May the presence of the Lord go before them so that Christ will become known through them as they serve.

God has graciously shown us that there are young people in all nations that are willing to do the will of our heavenly Father and we are

Currently, we are in Brazil assisting various churches to expand their discipleship programs and the response has been great. Several pastors have agreed to join us, working in unison with us, in following Christ’s commandment to make disciples of all nations. God continues to give us favor and the mission conferences have been well attended. *We ask for your prayers for eight men who have volunteered and are preparing to go*

happy to encourage, teach, and help to disciple those who have a heart to obey our Master and Savior, the Lord Jesus Christ. Believers are being taught godly principles and encouraged to share those principles with other fellow believers. We firmly believe that God intended for His sons and daughters to lead full and enriched lives in this world with our lamps

brightly shining so that others will see the light and come to Jesus in order that they might be saved. *Pray for those who are willing to go into all nations that they will not be discouraged as well as for those who have answered the call. May the Lord keep them from the evil one and provide all they need to finish the work that God has called them to.*

GHANA

The kingdom of God is still expanding in Ghana. God continues to surround his servants with favor. More villages now have believers which previously had no witness for Christ. We thank God for our fellow workers who

have answered the call to serve in His vineyard. We are praying for more workers to join in the harvest. Many missionaries have come over the years and planted seeds and afterward others came and watered but now the time for harvest has come and we continue

to rejoice. Truly God's word is true and it will not change but shall come to pass now and forever! Amen.

NEW ADDITION TO THE FAMILY

Baby Esther is the newest member of our family in Ghana. She is the fourth child of Joseph and Eunice, and she is the second grandchild God has blessed us with this year. May the Lord work through Esther to help save her people. God really has smiled on us and we are so blessed to be surrounded by such beautiful grandchildren.

In North Africa, God continues to give his servants favor with all men. The gospel is received now more than before. God has put it into the hearts of this generation to desire to know the truth. This desire to know the truth is by and through His Spirit which has been poured out on all flesh. *Please continue to pray for the workers; they are working together as one and the work of God is going forward.*

Thank you for your prayers and support. May God richly bless you and your family
